HISTORY OF ST. FRANCIS YACHT CLUB

St. Francis Yacht Club was founded in 1927 by a group of San Francisco yachtsmen with a vision of a club in the city of San Francisco. It was an offshoot of the San Francisco Yacht Club, which was founded in 1869 and had its facility in Sausalito, across the Bay. That facility burned to the ground in the mid-twenties and a fierce debate raged after the fire between those who lived in Marin County and those who lived in San Francisco. The city-dwellers wanted to relocate to San Francisco—not surprising given that this was before the Golden Gate Bridge, so San Francisco members had to travel by water to their club. Members from Marin found a suitable location in Belvedere against the wishes of their San Francisco membership and pulled some fast and furious moves to secure the right number of votes to make it happen. This so offended the San Francisco members that they chose to leave San Francisco Yacht Club and form their own club: the St. Francis Yacht Club. Today, there is great camaraderie between the two clubs and many members belong to both.

The original St. Francis Clubhouse was designed by famed architect Willis Polk and constructed on land created for the 1915 Panama Pacific International Exposition, which marked the opening of the Panama Canal. Since then, the clubhouse has been rebuilt and expanded following a devastating fire and a series of earthquakes. Little remains of the original building, but through the years, the Club has served the sport and anchored the international game of yachting on San Francisco Bay.

With San Francisco summers often foggy, windy and cold, StFYC members started a search for a warmer option in the mid-1950s. In 1958, that destination was secured when a small group of members pooled personal funds and purchased a 21-acre, overgrown island in the Delta. A little slice of heaven on the San Joaquin River, Tinsley Island, was founded. A plaque commemorating those generous visionaries may be found in the lighthouse on Tinsley Island.

In 1964, St. Francis Yacht Club welcomed eight yachts to the inaugural St. Francis Perpetual Trophy Regatta. Four boats came from Southern California and four from Northern California. The regatta was soon nicknamed the “Big Boat Series.”

Since then, the Rolex Big Boat Series has earned a reputation as the West Coast's premier regatta. St. Francis Yacht Club is proud to host hundreds of sailors each September, drawing great sailors from all the great ports of the blue planet to race in their famous front yard.

Since 1932, there have been 34 Olympians and 16 Olympic medalists from amongst the StFYC members. This is the greatest number by far of any US yacht club. At 2016 Rio summer Olympics, five of the ten Olympic sailing classes were represented by StFYC members.

ST. FRANCIS YACHT CLUB

Located on the shores of San Francisco Bay, StFYC boasts incredible panoramic views that span from the Golden Gate Bridge to Alcatraz Island. The yachting interests of the members include racing, cruising, sailboarding, kiteboarding, water-skiing and more. StFYC sailors have challenged and defended the America's Cup, brought home Olympic medals, and won prestigious races such as the Whitbread, Transpac and Pacific Cup. Whether cruising in the Mexican Sea of Cortez or racing in the Olympics, a St. Francis Yacht Club burgee is apt to be seen.

St. Francis Yacht Club is a year-round host of over 40 regattas on San Francisco Bay, including the annual Big Boat Series each September. The Club was host to the 2000 US Olympic Sailing Trials and continues to host World and National Championships. StFYC is also dedicated to the development of young corinthian sailors. The junior sailing team (ages 10 to 23) races locally and internationally in Lasers, Radial Lasers, 29ers, 420's and Flying Juniors. Each year, the Club hosts the Laser Sailing Symposium, with invitations to the world's most competitive Laser sailors.

The San Francisco clubhouse provides a boating and social venue for members and their guests. It features large deep-water guest docks, outstanding dining and incredible vistas of the Golden Gate Bridge and San Francisco Bay. This is the premier location to view yacht racing on the renowned City Front. The Club offers seven event spaces, each with distinct ambiance. All rooms showcase a stunning view of San Francisco Bay, the Marina or Alcatraz Island. The Club's interior features classic nautical décor with grand fireplaces, opulent wood floors and museum-quality boat models and artwork. The Club's annual calendar includes a wide variety of social events from theme parties, and winemaker dinners, to cruises both locally and far away.
